TOGETHER WE ARE MAKING A DIFFERENCE

2025

ANNUAL REPORT

BUDAPEST

2 WELCOME

We believe we are standing at the threshold of an exciting new season. Looking back, we say, “Thank you, Jesus!” Looking ahead, we cry, “Help us, Jesus!” In this past season, we have seen the goodness of God again and again. We have watched Him move powerfully, touch people’s lives, and open doors we could never have opened on our own. We are deeply grateful for each of you who have engaged with us and partnered in what God is doing in this city and beyond.

We have stepped into a project to prepare a venue that will serve as a home for our church in the years to come. This space will allow us to spread our wings – to launch a morning service, create a welcoming community space for kids and families, and serve the needs of our city in greater ways. At the same time, we have begun planting a church in the city of Prague, believing that what God has done in Budapest, He will also do there. We would love to invite you to journey with us into this next season.

Pray. Dream. Sow. Serve. Build.
Together, let's see what God can do
when we step forward in faith.

**Blessings,
Pastor Miro Toth**
